Biography

BlightMass is a Blackened Death Metal band from Tampa (Florida, U.S.A.) and the French Riviera (France), formed in 2019 on the ashes of the band Purgatory Unleashed and drawing its inspiration from the Floridian and Swedish Death Metal scenes, mixed with Black Metal influences.

The band's debut album "Severed From Your Soul" has been released in October 2019 and defended onstage during their first tour in January/February 2020.

"Severed From Your Soul" features alongside the line-up Ralph Santolla (Death ; Deicide ; Obituary) on the song "They Will Listen to the Dead" and Olivier Gabriel (Benighted ; Néfastes) on the Carcass cover "Black Star".

The follow-up album intituled "Harbinger of Lucidity" is already recorded and will be released on the label Grave Embrace Records in September 2021 as well as the LP reedition of "Severed From Your Soul"...
